

You have acquired valuable skills over the years due to your work ? Do you know that you can transform them into a diploma through the Validation of Experience (VAE) ? ????

???? **What is the VAE ?** The VAE is a tool that allows anyone, regardless of age, education level or status, to officially recognize the skills acquired through professional experience.

???? **Why choose the VAE ?**

- **Recognition** : Obtain a diploma that values your skills.
- **Evolution** : Access new professional opportunities.
- **Honor** : Let your skills and expertise be recognized.

???? **How does it work ?**

1. **Information** : Fill in the form to find out about the diplomas available via the VAE.
2. **Candidature** : Prepare your dossier for the VAE application.
3. **Validation** : Present your skills to a jury.
